Brand Title: KIMTECH PREP® KIMTEX® Wipers – Surface Preparation

Description: KIMTECH PREP® KIMTEX® Wipers are designed to be used to wipe light and heavy oils, solvents, and water. They are reusable, strong and provide low-lint cleaning performance. The polypropylene construction is ideal for printing, automotive pre-paint, food and chemical processing, mechanical repair, aircraft manufacturing, and steel mills. KIMTECH PREP® KIMTEX® is acid, base, and solvent resistant.
