**Re: WYPALL\* L10 Utility Wipes**

Dear Valued Customer,

We are pleased to inform you that **WYPALL\* L10 Utility Wipes code 9623110** supplied to you by Kimberly-Clark Professional, a division of Kimberly-Clark Thailand Limited, are produced from virgin and recycled fibers which are Process Chlorine Free. Moreover, other raw materials of the product and our tissue manufacturing process conform to the established technology involving the use of generally recognized chemicals which meet Kimberly-Clark Corporation's product safety clearance standard, based from the US government standard.

In March 2007, we have made the following specification changes to **WYPALL\* L10 Utility Wipes code 9623100** in order to improve the product performance:

- Improve quality of wiper basesheets to add more strength
- Change sheet size, roll length and number of sheets per roll

We hereby certify that the improved **WYPALL\* L10 Utility Wipes code 9623110** are the high quality versatile wipers ideally suitable for light-duty industrial wiping tasks.

If you should require additional information, please contact Customer Care 0-2230-3003.

Thank you for your interests in Kimberly-Clark Professional wipers.

Yours sincerely,

Siranee Teppabutre  
Product Manager  
Kimberly-Clark Professional
